PLAYING ETIQUETTE:

1. Always spot the color balls for your opponent.
2. Keep score for your opponent, and leave the break score on the scoreboard until the opponent confirms and enters.
3. During the opponent's turn, do not stand in the eyesight of your opponent, stand away at least 6 feet from the table, and sit down on the chair if possible.
4. Try your best to respot cue ball in a snooker. We do not have a referee so we rely on your integrity to replace correctly. Please tell us if someone repeatedly takes advantage of this and we will take note of it and make decisions.
